COMMITMENT

Upon the recommendation of: LANDSCAPE CO/ARCHITECT NAME, TELEPHONE NUMBER, the New Construction Committee (NCC) defers reseeding of the above property until MONTH AND DAY, 2017. The aforementioned property owner will inform the NCC when the property has been reseeded. If after the site review by the NCC, additional work is necessary to fulfill Guideline requirements, the property owner will complete the work immediately.

I understand that if any silting or other runoff occurs because of the lack of vegetation/seeding, the property owner is responsible for the cleanup and/or removal of debris, as determined by the NCC.
